SEIT 1923
GERMAN QUALITY. SINCE 1923.

HÄFELE GROUP SINCE 1923

Häfele is an internationally organized family owned and operated business with headquarters in Nagold, Germany. It was founded in 1923 and today serves the furniture industry, architects, planners, cabinet makers/joiners as well as dealers in over 150 countries around the world with furniture fittings, architectural hardware, electronic access control systems, home appliances and sanitary fittings & wares. Häfele develops and manufactures hardware and electronic access control systems in 6 factories in Germany and Hungary and exports high quality standards throughout the world in the form of products and services.

In the 2017 financial year, the Häfele Group achieved exports of 80% with over 7,600 employees in 37 subsidiaries and numerous additional dealerships around the world and revenue of 1.375 billion Euros.

SLIDING DOOR LOCK

Hafele sliding door lock is possibly the most innovative and aesthetically pleasing lock for a sliding door in Malaysia. The Sliding Door Lock is ideal for any home décor and security solution.

Not only will the internal bathroom or lounge room sliding door have a contemporary look, but the interconnecting door from the garage to the laundry can be fitted with a key lockable entrance-set for security.

DIGITAL LOCK **PP8100**

Art. No 912.05.697 | MYR 2,980

Drawing dimension in mm

*Price is subject to change without prior notice *Price listed is exclusive of sales and service tax (SST)

PP8100 FEATURES

Dimension

- > Door thickness 38 - 90 mm
- > Front 78.5 (W) x 394 (H) x 69.5 (D) mm
- > Back 78.5 (W) x 394 (H) x 69.5 (D) mm

Material

- > AL, ZN, ABS

Operation

- > Register up to 100 fingerprint
- > Register up to 100 smart card
- > Register up to 10 password
- > 1 master password
- > Color: Black
- > Manage by master password & user password
- > Double verification function by combine 2 in 3 access ways (Fingerprint/ password/ smart key tag)
- > Password exposure-proof function by using fake pin code
- > Build-in privacy mode from indoor
- > More safety with away mode
- > Automatic and manual locking mode are changeable
- > Freezing in 5 minutes after the wrong code entry limit 10 times
- > Voice guide (English/ Chinese)
- > Low battery alarm function
- > Silence mode can be activated when needed
- > Smart home integration with Z-wave module

Supplied with

- > 1 x Front & rear module
- > 1 x Mortise lock & striking plate (left & right)
- > 1 x Set of fixing material
- > 1 x User manual
- > 1 x Installation template
- > 8 x AA alkaline battery
- > 2 x Smart card
- > 2 x Smart key tag
- > 2 x Mechanical key

Mode of access

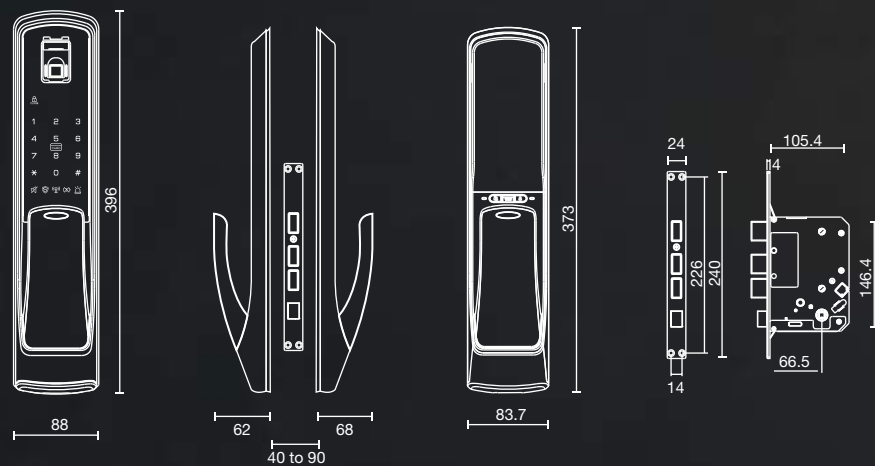

-  Fingerprint
-  Smart card
-  Password
-  Mechanical key

DIGITAL LOCK **EL9500**

PUSH PULL Concept Digital Door Lock

Art. No 912.05.315 | MYR 3,450

Drawing dimension in mm

*Price is subject to change without prior notice *Price listed is exclusive of sales and service tax (SST)

EL9500 FEATURES

Dimension

- > Door thickness 40 - 90 mm
- > Front 88(W) x 396(H) x 40(D) mm
- > Back 83.7(W) x 373(H) x 38.7(D) mm

Material

- > AL, ZN, ABS

Operation

- > Register up to 200 fingerprints
- > Register up to 20 smart card
- > Register up to 10 password
- > Color: Dark grey
- > Operation temperature: $\sim -15^{\circ}\text{C} \sim 60^{\circ}\text{C}$
- > Power: 8 AA alkaline battery
- > Emergency power: DC9V alkaline battery (not included)

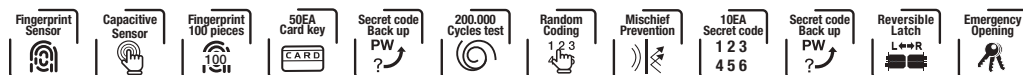

- > Mechanical key for emergency access
- > Free direction push-pull handle
- > Double locking function
- > Auto re-lock function
- > Smart auto safety function
- > Voice guide
- > Status checking guide
- > Trespass alarm function
- > Low alkaline battery warning function
- > Wireless interlock function

Supplied with

- > 1 x Front & rear module
- > 1 x Mortise lock & striking plate
- > 1 x Set of fixing material
- > 1 x User manual
- > 1 x Installation template
- > 8 x AA alkaline battery
- > 2 x Smart card
- > 2 x Smart key tag
- > 2 x Smart sticker
- > 3 x Mechanical key

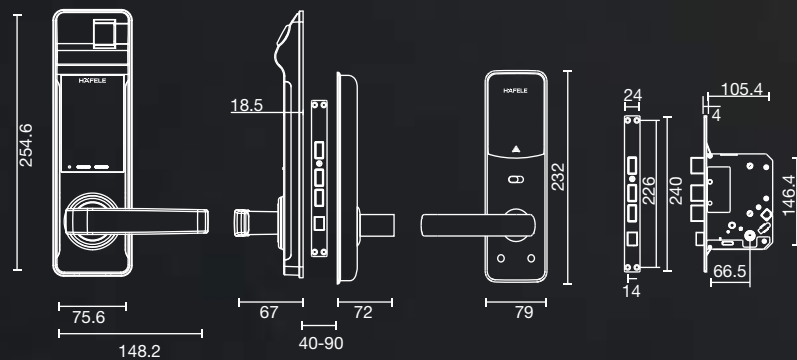

Mode of access

-  Fingerprint
-  Smart card
-  Password

Art. No 912.05.719 | MYR 1,999

Drawing dimension in mm

*Price is subject to change without prior notice *Price listed is exclusive of sales and service tax (SST)

EL7700 FEATURES

Dimension

- > Door thickness 38 - 90 mm
- > Front 75.5(W) x 234.5(H) x 18.5(D) mm
- > Back 78(W) x 232(H) x 30(D) mm

Material

- > AL, ZN, PC, ABS
- > Surface treatment: Triple metallic coating

Operation

- > Register up to 200 fingerprint
- > Register up to 50 smart card
- > Color: Black
- > Operation temperature: $\sim 20^{\circ}\text{C} \sim 50^{\circ}\text{C}$
- > Power: 4 AA alkaline battery
- > Emergency power: DC9V alkaline battery (not included)
- > Password exposure-proof function
- > Mechanical key for emergency access
- > Set in auto mode or manual mode
- > Adjustable volume level/ mute sound to higher sound
- > Built-in electric shock prevention circuits of higher-voltage
- > Integrated with fire sensor
- > Reset function
- > External 9V emergency alkaline battery terminal
- > Low alkaline battery power and malfunction alert

Supplied with

- > 1 x Front & rear module
- > 1 x Mortise lock & striking plate
- > 1 x Set of fixing material
- > 1 x User manual
- > 1 x Installation template
- > 4 x AA alkaline battery

ESSENTIAL IN EVERY HOME AND PROPERTY

Multiple entry modes

Works with PIN codes, bluetooth keys on smartphone, and emergency physical keys.

Mobile app-enabled

Grant access to your home when you're away, and set duration of PIN codes or bluetooth keys.

Works offline

Our encryption technology allows your lock to work without internet connectivity, increasing reliability against WiFi hacking.

Keyless convenience

No more hassle of locating forgotten keys and no more frustration of accidental lock-outs.

View access logs

Monitor when visitors enter your home for peace of mind. PIN code access logs are updated whenever the master owner uses a bluetooth key.

Automate Check-in

Airbnb hosts can sync listing calendars with their igloohome account so that PIN codes are automatically created for guests.

* Fees apply

* App interface, product appearance, and specifications are subject to continuous enhancements or modifications.

App- Controlled

To get started, download HÄFELE lock app from the App Store or Google Play store.

Register for an account and follow instructions on screen to pair device.

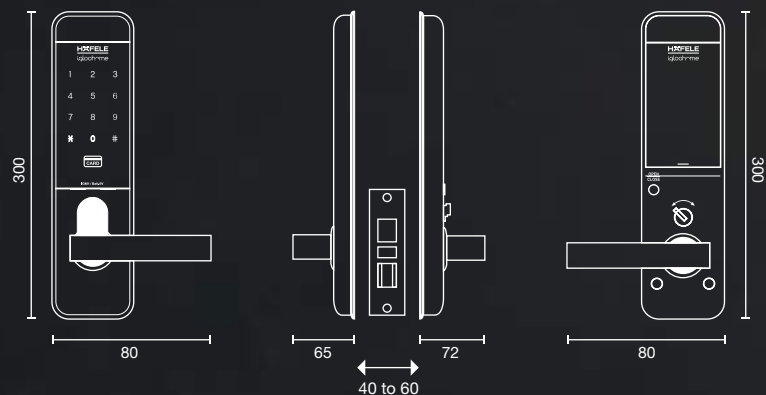

For best results, lock should be within 3m (10ft) bluetooth range to your smart device. HÄFELE app requires mobile internet connection.

SMART MORTISE LOCK

Art. No 912.05.384 | MYR 2,500

Superior security and cutting-edge technology now come in a premium form - the HÄFELE Smart Mortise Lock. Manufactured in the best factories in Korea, it is outstanding in quality, and comes packed with smart features.

Drawing dimension in mm

*Price is subject to change without prior notice *Price listed is exclusive of sales and service tax (SST)

MORTISE FEATURES

Security Lockout Mode

If an invalid PIN code is entered 5 times, the keybox will stop operating for 1 minute.

Low battery Warning

A beep sound and red flashing keypad indicates when battery power runs slow.

Anti-Panic Exit System

Allows you to open the door by simply pulling down on the lock handle from inside, without twisting a separate thumbturn.

Electro Static Discharge Prevention

The circuit board is protected from the damages incurred from a high voltage surge.

Tamper Alarm

The lock will sound if intruders attempt to pry the lock from the door.

Emergency Power Supply

When lock alkaline battery are flat, an external DC9V alkaline battery can be used to jump-start the keybox.

Fire Alarm

When the sensor detects a temperature between 50-70 degree celsius inside the house, the Mortise will unlock automatically.

Volume Adjusting

Select the volume of the lock that suits your needs.

Sensor Re-Lock

The lock will re-lock when the door is closed.

Specifications

Door compatibility	
Door thickness	40mm to 60mm
Type of door	Wooden doors (right / left-hand compatible)
Dimensions	
Outer body	80 x 303 x 17.8(mm)
Inner body	79.8 x 302.4 x 26(mm)
Weight	1.97kg
Material	
Outer body	Al, ABS
Inner body	Al, Zn, ABS
Operation method	PIN code, Bluetooth Key, Smart sticker, Emergency physical key
Colour	Black
Operation temperature	~20°C~50°C
Emergency power	DC9V Alkaline battery (not included)
Power	4 AA Alkaline battery
Alkaline battery life	Up to 1 year
Usage	To be installed at sheltered areas

Mechanical key

SMART **KEYBOX**

Art. No 912.05.381 | MYR 1,100

If door alteration is not an option, the HÄFELE Smart Keybox is the best choice. No installation is required - deploy the Keybox with no fuss at all. Store keys or keycards in it, and grant access via our igloohome mobile app.

Drawing dimension in mm

*Price is subject to change without prior notice *Price listed is exclusive of sales and service tax (SST)

KEYBOX FEATURES

No installation woes

Secure the Keybox to a railing via the shackle or mount it onto a wall via the 4 screwholes behind.

Emergency Power Supply

When the lock batteries are flat, an external DC9V alkaline battery can be used to jump-start the lock.

Decoy Security Code

Enter random digits before your password to reduce risk of intruders checking fingerprints.

Low battery Warning

A beep sound and red flashing keypad indicates when battery power runs slow.

Security Lockout Mode

If an invalid PIN code is entered 5 times, the keybox will stop operating for 1 minute.

Stores the essentials

Holds up to 6 physical keys or 7 keycards. Keep a SIM card, a transport card and more for your guest in the Keybox.

Specifications

Inner dimension of shackle	1.1(W) x 1.8(H) In
Inner storage of shackle	3.3(W) x 2.1(H) x 0.5(D) In
Weight	1.5kg(3.3 lbs)
Material	Zinc alloy, steel, silicon rubber
Operation method	PIN code, bluetooth
Auto-relock	After 30 seconds
Emergency power	DC9V Alkaline battery (not included)
Power	4 AAA Alkaline battery
Alkaline battery life	Up to 1 year
Usage	To be used at sheltered areas
Temperature tolerance	Advised to use above - 30 degs celsius

Drawer Runner System

MOOVIT Drawer Runner System

The Benefits At A Glance

- 2 different drawer heights: 92mm and 115mm
- 9 nominal lengths
- Special powder coating finish, extremely scratch resistant
- 90° angled inner drawer enable maximum space utilization
- 50kg load bearing capacity and full extension as standard
- Innovative fine adjustment at the drawer top
- No tools needed for assembly and disassembly of front panel
- Colour matching Internal drawer panel and add-on drawer sides
- 2 trendy colours: Metallic White and Metallic Grey
- Each Moovit Set includes:
 - 1 left and right drawer side with rear panel holder
 - 1 left and right cabinet rail
 - 2 cover caps
 - 2 fixing brackets

Electronic Locking Systems - DT Lite (Residential Version)

DT Lite is an Electronic Identification and Locking System for secure and simple access. The access cards are easy to program and the system is easy to install and to retrofit. The identification is touchless making the system wear-free with an extremely low maintenance.

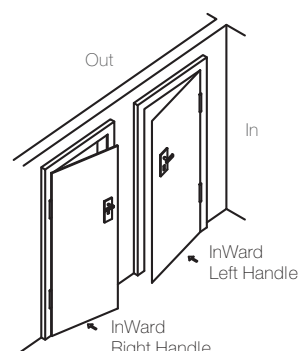

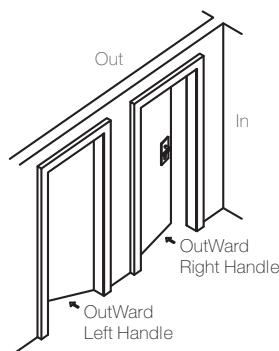

- Mifare Technology
- Stable reading RFID (Radio Frequency Identification) technology
- Card reading distance: 0 – 40 mm
- Fast Opening
- Low power consumption – Battery lifetime up to 10,000 openings; Warning signal for low battery level
- Easy card programming on the door terminal
- Alarm function for not properly closed doors or at tempted force opening
- Cylinder lock for emergency opening
- Door thickness 38 mm – 46mm
- With PVD finishes (Increased surface hardness and durability)
