PHILIPS

EasyKey

9100

Push-pull
Smart Door Lock

Copper

Black

Access solution: Fingerprint/Password/Card/Bluetooth/Mechanical key

Alarm: Low battery/Anti-dismantling/Anti-theft alarms

Safety functions: Deadlock/Safe handle/Keypad lock/Anti-peeping/Anti-theft

● Specifications

Mortise	824B	Card sensing time	0.5s
Auto locking	✓	Card capacity	100
Universal direction installation	✓	Password length	6-12 digits
Emergent evacuation	Indoor fast opening mortise	Password capacity	Safe mode-12 Normal mode-3
Fingerprint sensor	Semiconductor	Fake PIN code	✓
Fingerprint capacity	100	Power	4 AA batteries (2 sets; 8 batteries in total)
Fingerprinting speed	≤ 0.5s	Emergency power supply	Micro USB
Card compatibility	Mifare1 ic s50 s70 cards and compatible cards thereof	Applicable door type	Wooden Security doors
